CAROLINA READY

In an emergency, the University uses technology and social media platforms to quickly inform the community about immediate threats and steps to take.

Key Features

Mobile BlueLight

Just like the emergency blue lights around campus, the Mobile BlueLight app functionality places one of those blue lights in your pocket. When you activate this emergency feature on campus, it simultaneously places an emergency call to UNC 911 Dispatch and shares your location with the UNC 911 dispatcher.

I'm OK!

The "I'm OK!" feature allows you to quickly send an "I'm OK!" message with your location during an emergency to pre-identified text or email recipients of your choice, such as family, friends or colleagues.

Friend Walk

The Friend Walk feature allows you to share your location with a family member or friend so they can remotely monitor your location while you walk to your destination and ensure you arrive safely. No need to walk alone!

WorkAlone

The WorkAlone feature can automatically check in on you while you are working or studying alone and can automatically trigger a call to your emergency contact if you fail to check in at the allotted time.

Take Action Guides

What do you do when something bad happens? Don't worry, we have you covered. Tons of guides and tips on what to do so you can be prepared before an emergency occurs.

Report a Tip

Have something to report? The app provides you with several options to contact UNC Police—including options to remain anonymous.

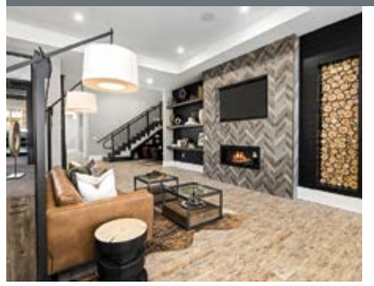

The Carolina Ready Safety App was developed on technology provided by App Armor.

Building an Off-Campus Budget

with the Carolina Financial Well-Being Center

Follow the steps below using your own income and expenses to build a budget suited to off-campus life!

1. Calculate your total monthly income

Where is my money coming from this month?

Income/Funding Source	Estimated Amount
Part-Time Job	$900
Family Contribution	$500
Financial Aid / Scholarship Refund *	$1,000
Total	**$2,400**

* If you receive a financial aid refund, divide it by the number of months it needs to last until your next disbursement. For example, if you have a refund of $5,000 that needs to last from August to December (5 months), $5,000/5 = $1,000 per month in funding.

Not sure how much to expect for your financial aid refund? Use the Office of Scholarships and Student Aid's Budgeting Calculator.

2. Estimate your fixed and variable monthly expenses

What do I need to pay for this month?

Category	Estimated Cost
Rent (my portion)	$900
Utilities (my portion)	$155
Groceries/Household	$300
Entertainment	$100
Transportation	$80
Annual Expenses *	$75
Total	**$1,610**

* Set aside money monthly to pay for annual or irregular expenses, such as deposits or yearly subscriptions, when they are billed.

Income ($2,400) **- Expenses** ($1,610) **= Flex Spending and/or Savings** ($290)

3. Track your spending and adjust your budget as needed

4. Set financial goals for saving and planning

DON'T FORGET: *There are expenses unique to off-campus living!*

Up-Front Costs: Application & administrative fees, security deposits, first month's rent, and furniture/setup can cost thousands of dollars before move-in. Be sure to discuss how you will divide up these costs **before** signing a lease with potential roommates!

Renter's Insurance: Often required and typically costs $10–$20 per month. It protects your personal belongings and financial security if something happens to your place.

Real Costs, Credit, and Saving Money

with the Carolina Financial Well-Being Center

Planning for Variable and Shared Expenses

Budgeting for Utilities

- Utility costs vary by season, with higher electricity bills in summer and winter due to heating and cooling.
- Review past utility bills for patterns.
- Set aside a monthly buffer of $20–$40 more than you think it will cost to be prepared for fluctuations.

Shared Household Expenses

- Items such as toilet paper and cleaning supplies should be planned and split with roommates in advance.

Tip: Ask your landlord or roommate (if you're moving in with someone who already lives there) what the utility costs run on average throughout the year.

How Off-Campus Living Can Impact Credit

Building Your Credit

- On-time rent payments can help build credit history.
- You can build your credit this way without having a credit card.
- Rent is **not** automatically reported to credit bureaus. You must ask your landlord to report it.

Be Careful to Protect Your Credit

- Lease co-signers share full responsibility for rent payments, so missed payments impact all involved.
- Breaking a lease or eviction can lead to fees, collections, and long-term credit impacts. Make sure you fully read the terms of your lease before you decide to break it or sublet to someone else during the months you may not be in town.

Tip: Ask your landlord if they can report rent payments to the credit bureaus, but be cautious with this strategy if you'll have a hard time making your rent payments on time. All payments are reported…even the late ones.

Tips for Saving Money While Living Off-Campus

Public Transportation

- Consider using Chapel Hill Transit or a UNC GoTriangle Bus Pass to get to and from campus instead of paying for parking and daily driving costs.

Free Campus Resources

- Utilizing campus resources like the Carolina Food Pantry Network, Edible Campus, Campus Health, CAPS, and Campus Recreation can help reduce monthly expenses when money is tight.

Scan this QR code or visit cfwc.unc.edu/off-campus for links to all of the resources mentioned in this guide!

Still have questions? We can help!

Shared & Safe Housing

Code Enforcement
codeenforcement@chapelhillnc.gov

SHARED HOUSING LIMITS

Single-Family Home or Duplex:
- More than 4 unrelated people per dwelling is a Town Violation.

Three or More Attached Units:
- More than 8 unrelated people per dwelling is a State Fire Code Violation.

SAFE HOUSING GUIDELINES

- Report any damage or issues to your landlord right away.
- Don't ignore leaks or damage--report them before they cause bigger problems.
- If your landlord doesn't fix an issue after written notice, contact Town Code Enforcement.

MOVING IN OR OUT?

Large items (furniture, mattresses, electronics) require a scheduled, paid pickup:
- $15 for up to 3 items
- $5 for each additional item
- Schedule and pay only (fee assistance available for eligible households)

TOWN TRASH COLLECTION

- Roll carts out by 6 AM and bring them back by 7 PM.
- Find your pickup day on our website.
- Keep carts behind the curb and clear of mailboxes, sidewalks, and bike lanes.
- Place trash in a full-size bag inside the cart; no extra bags outside the cart.
- Bagged trash must be in a Town-issued trash cart (additional Town carts can be purchased for $60).
- Hosting friends? Be sure to collect any cups, cans, or other items left outdoors.

RECYCLING

- Recycling is collected by Orange County.
- Take large items or extra trash to an Orange County Waste & Recycling Center for free (proof of residence may be required).

HOME SECURITY

Personal Safety

- ☐ In an emergency, dial 911.
- ☐ Do not walk alone after dark and always walk in well-lit areas.
- ☐ Be alert and aware of your surroundings.
- ☐ Get to know your neighbors and the area in which your home is located.

HOME SECURITY

Avoiding Theft and Break-ins

- ☐ Purchase renters insurance.
- ☐ Always keep doors and windows locked. If necessary, get a security system.
- ☐ Don't leave valuables in your car and always keep car doors locked.
- ☐ Leave a light on and keep blinds or drapes closed when you are gone; keep porch lights on at night.
- ☐ Identify visitors before you open the door.
- ☐ Ask for proper identification when utility or service people come to your door, and only let them in if your landlord or property manager informed you they would be coming.
- ☐ Secure your electronic items and valuables when you are going to be out of town.
- ☐ Never leave keys under a mat, flower pot, or other places accessible to a stranger.
- ☐ If you lose your keys, contact your landlord to get your locks replaced ASAP**.**
- ☐ Don't put names on your mailbox or apartment directory and don't put ID tags on your key ring.
- ☐ Have someone check on your place when you are out of town.
- ☐ If you come home and find signs of break-in/forced entry, do not go inside. Call 911.

FIRE SAFTEY

- ☐ Look for housing with a full sprinkler system.
- ☐ Smoke alarms should be in each sleeping room, outside every sleeping area, and on each level of the apartment or house. All smoke alarms should be interconnected so that when one sounds, they all sound.
- ☐ Test all smoke alarms at least monthly and *never* remove batteries or disable the alarm.
- ☐ Have a fire escape plan with two ways out of every room.
- ☐ When the smoke/fire alarm sounds, get out of the building quickly and stay out
- ☐ Stay in the kitchen when cooking. Cook only when you are alert, not sleeping or drowsy from medicine or alcohol.
- ☐ Check with the local fire department for any restrictions on grills or fire pits.
- ☐ Never leave a candle unattended.
- ☐ If you smoke, smoke outside and only where it is permitted.

TOWN OF CHAPEL HILL COMMUNITY SAFETY

WHAT'S HAPPENING

Our town is not immune to national crises around mental health, behavioral health, and affordable housing. Some of our community members face these issues, which sometimes lead to concerning or unsafe behaviors.

HOW WE'RE RESPONDING

All first responders – Police, Fire, EMS, and Crisis Division staff - assess the situation and determine the safest, most appropriate response.

- The two CARE Teams connect unhoused residents with local resources.
- Downtown police officers are present 24/7 on foot, bicycle, and vehicle patrol.
- Two police substations are open to the public at 179 E. Franklin Street (Post Office/Courthouse) and at 306 W. Franklin Street.

HOW TO REQUEST HELP

In Orange County, 911 is both for emergencies and non-emergencies.

Dispatchers will send the right resources: Police, Fire, EMS, or a CARE Team. If you are concerned about someone's health or safety – or if you ever feel unsafe – call 911.

For non-emergencies:

TIPS FOR SAFER CONSUMPTION

If you choose to drink or use substances, the tips below can help lower your risk of negative outcomes.

- **Eat beforehand**
- **Stay hydrated**
- **Know your source:** Pay attention to what you're consuming, how much, where it's coming from, and who is preparing it. Use fentanyl and xylazine test strips - available for free at Student Wellness.
- **Consume slowly**
- **Know your limits**
- **Avoid mixing substances**
- **Stick with someone you trust**
- **Have a designated driver or use a rideshare service if you go out**
- **Carry Naloxone (Narcan):** Even if you don't use opioids, carrying naloxone can save the life of someone around you who overdoses.

RESPONDING TO A POTENTIAL OVERDOSE

Naloxone (Narcan) is a medication that temporarily reverses an opioid drug overdose. Don't hesitate to administer naloxone in an emergency, even if you're not sure the person is experiencing an opioid overdose. Doing so causes no further harm and could save their life.

STEP 1 **Administer** first dose of naloxone → **STEP 2** **Call 911** and tell them person is unresponsive → **STEP 3** **Ask other bystanders** to make room for Emergency Medical Services (EMS) → **STEP 4** **Administer** second dose of naloxone, if needed → **STEP 5** **Wait** for EMS

Request and pay for the collection of bulky items online (furniture, mattresses, electronics, etc.)
chapelhillnc.gov/trash
Fees: $15 for up to three items and $5 for each additional item.

CARRBORO RESIDENTS:
Bulk waste is collected twice a month on Wednesday.
*Items must be on the curbside **by 7:30 am.***

MATERIALS NOT COLLECTED

- Rock, brick, cinderblocks, dirt
- Building materials and paint
- Tires, batteries, hazardous waste, infectious waste
- Corrugated cardboard (excluding dirty pizza boxes)

- Place all trash, including loose litter, inside a **tied garbage bag** before placing it in your trash container
- Place sharp objects inside a puncture resistant container
- **DO NOT** overfill the recycling cart (only items placed inside the cart will be collected)

FAILURE TO COMPLY TO THESE REQUIREMENTS RISKS A FINE

Remove all garbage, recycling, and yard waste containers from the street by 7pm.

PARTY REGISTRATION

The Chapel Hill Party Registration Program is designed to allow student community members in single family housing neighborhoods and apartments in Chapel Hill to regulate their parties before Law Enforcement intervention, and to provide all community members an efficient mechanism to address loud parties.

It is also designed to allow the Chapel Hill Police Department to better utilize the resources they have available at the patrol level.

CRISIS RESPONSE

THERE IS NEVER A REASON NOT TO CALL FOR HELP

If you have an emergency situation, or are with another student in an emergency situation (including suspected alcohol poisoning), dial 911.

In Chapel Hill, 911 is the access # for all police and EMS related situations, from minor incidents to major emergencies. Do not hesitate to call 911 because you are unsure of whether the situation is serious enough. The operators are trained to make that decision and contact the appropriate response providers. **Remember that Medical Amnesty is both a state law and University policy (alcohol.unc.edu)**. The purpose of amnesty is to remove barriers to seeking needed treatment or making a report to law enforcement or University officials for fear of being subject to disciplinary action for an alcohol violation.

Critical Signs for Alcohol Poisoning

- Mental confusion, stupor, or person cannot be roused
- Vomiting
- Seizures
- Slow breathing (fewer than eight breaths per minute)
- Irregular breathing (10 seconds or more between breaths)
- Hypothermia (low body temperature), bluish skin color, paleness

THINGS TO KNOW

BEFORE THE PARTY DAY: PLAN AHEAD

- In addition to registering your party, notify neighbors likely to be impacted by noise.
- Plan for guests to be inside during the party and ask them in advance to be respectful of the neighborhood on their way to & from the party (most noise complaints result from outdoor noise).
- Plan to keep doors and windows closed.
- Plan for the music to be kept at a reasonable level (you should not be able to hear it from the street), with bass levels low and speakers away from the windows and doors.

THINGS TO NOTE:

- Only available within Chapel Hill **(must attend a short class before registering for the party)**
- Not available for DJs, live music, amplified sound, or parties over 100 people
- Party registration **must be submitted 48-72 hours** in advance

AT THE PARTY

1 Don't Break the Law
- 21+ to drink
- Maintain Occupancy and Fire Code limits
- Follow parking regulations
- No illegal drugs

2 Know Your Guests
- Invite people... Don't have open parties
- Don't let in people you don't know or haven't invited
- Manage the entrance and exit
- Monitor behavior with sober host(s)

3 Don't Provide Alcohol
- BYOB only (beer or wine, no hard liquor)
- Establish predetermined limits (guests can bring a 6 pack)
- Avoid common containers (kegs, punch bowls, etc.)
- Don't "pass the hat" for bulk purchase
- Remember: It is illegal to sell alcohol without an ABC permit

4 Make the Event About Something Other Than Drinking
- Have a non-alcohol focus, like a sporting event watch party or dance party
- Avoid drinking games
- Provide food and alternative beverages

5 Have a Plan For When Things Go South
- Have emergency numbers handy
- Have someone sober and responsible in charge
- Don't be afraid to send folks home who were not invited
- End the event
- Call the police for help if you need assistance with guests or shutting the party down

Good Neighbor Initiative

BE KIND. BE MINDFUL. BE A GOOD NEIGHBOR.

The Good Neighbor Initiative (GNI) is a collaborative partnership between UNC-Chapel Hill, the Towns of Chapel Hill and Carrboro,and the Marian Cheek Jackson Center and other community partners focused on helping students build positive relationships within the communities they call home.

Living off campus is an exciting opportunity to gain independence, connect with the local community, and create meaningful experiences outside the classroom. The Good Neighbor Initiative encourages students to be thoughtful, respectful, and engaged members of the neighborhoods in which they live.

BE A GOOD NEIGHBOR.

BE KIND

- Get to know your neighbors
- Pick up your trash and keep your yard and porch clean
- Respect shared community spaces
- Support local businesses
- Attend community events
- Get to know your neighborhoods history such as the Marian Creek Jackson Center (https://jacksoncenter.info)

BE MINDFUL

- Keep noise down, especially late at night
- Know and follow local ordinances related to noise, trash, parking, and alcohol
- Register your gathering and keep it manageable
- Be respectful of families, long-term residents, and fellow students living nearby

LEARN MORE

go.unc.edu/beagoodneighbor

DOOR-TO-DOOR WELCOME WALK

Each August, volunteers from UNC-Chapel Hill, community organizations, local government, and neighborhood groups participate in the annual Good Neighbor Initiative Door-to-Door Walk. Volunteers visit student-heavy neighborhoods to welcome students to the community, provide helpful resources, and share information about being a respectful and engaged neighbor.

Over the years, the initiative has expanded to include neighborhoods such as Northside, Pine Knolls, Cameron-McCauley, Lloyd-Broad, North Street, Davie Circle, and the Dawes/Coolidge areas. More than 1,200 homes are visited annually through this community-building effort.

COMMUNITY COOKOUT

The annual Good Neighbor Initiative Community Cookout brings together students, families, long-term residents, and community partners for an evening of food, music, games, and connection.

Date: September
Location: Hargraves Community Center

- Open to students, families, and community members
- Free food, activities, and opportunities to connect with neighbors and local organizations

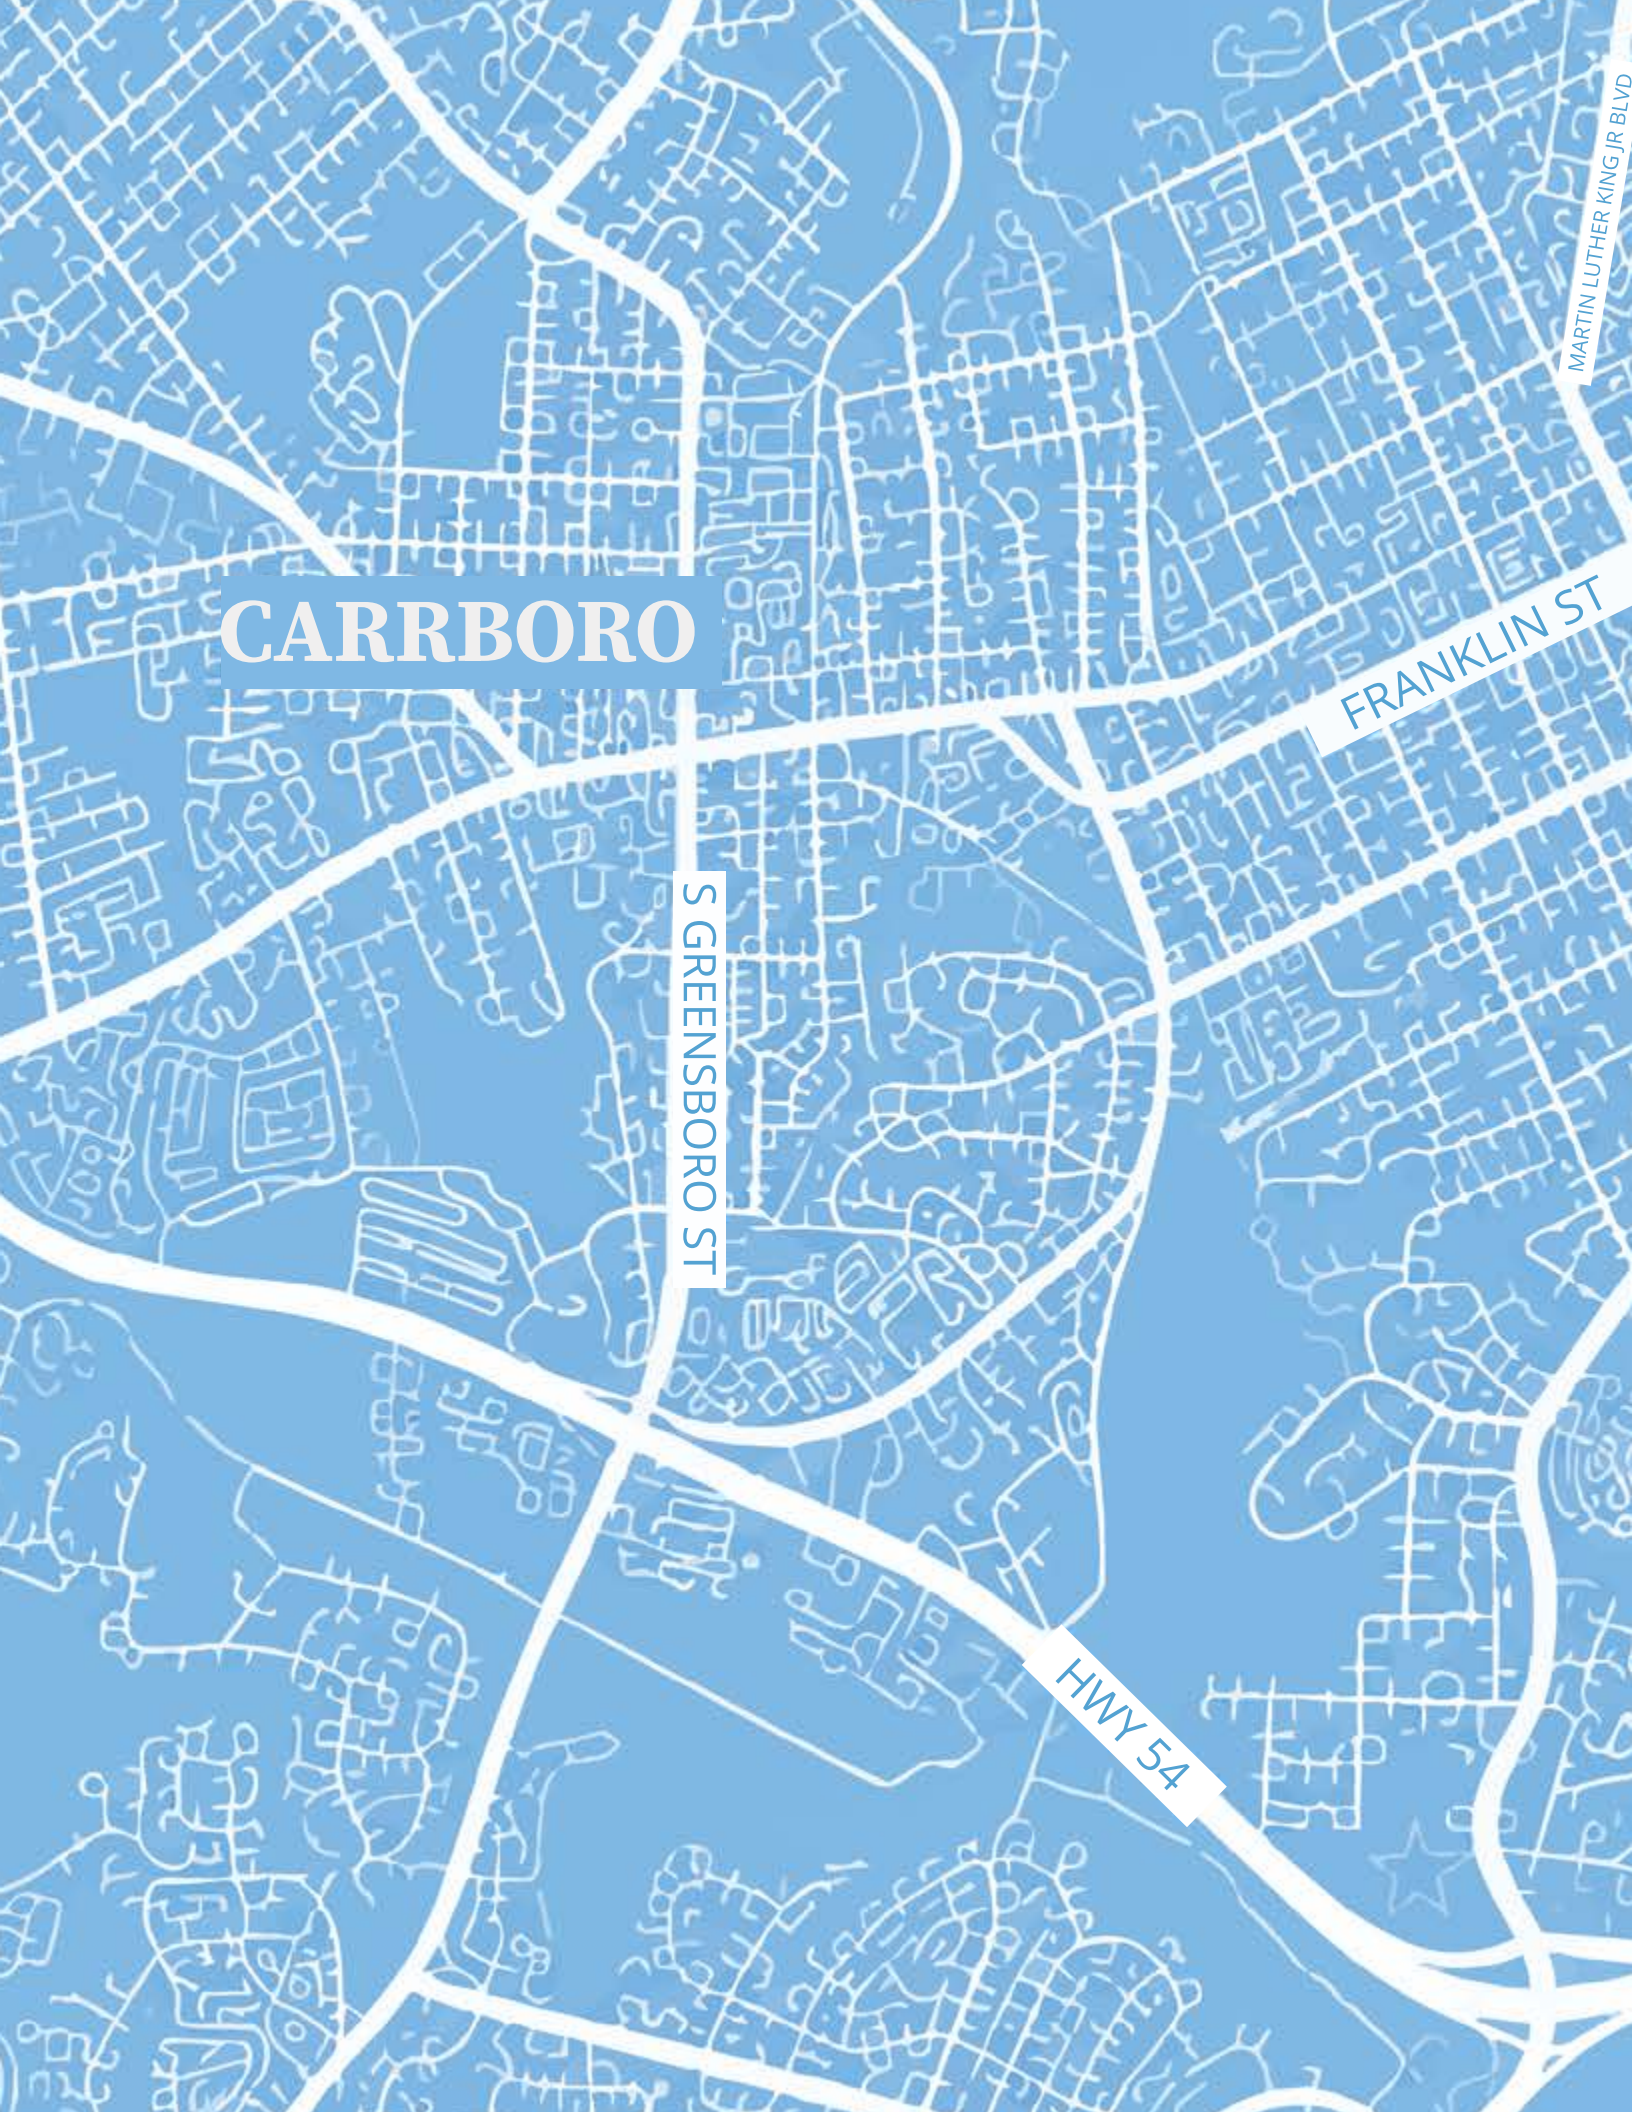

WHY IT MATTERS

Chapel Hill and Carrboro are vibrant communities made up of students, families, professionals, and long-term residents. Small actions like introducing yourself to neighbors, cleaning up after gatherings, and being mindful of noise can make a major difference in creating a welcoming and respectful community for everyone.

Living off campus is more than just where you live. It is an opportunity to become part of the broader Chapel Hill and Carrboro community.

Be kind. Be mindful. Be a good neighbor.
